Duration of Long Term and Short Term Programmes:

- Training programmes abroad of duration of **six months or more** are treated as **Long Term**.
- Training programmes abroad of duration of **upto six months** are treated as **Short Term**.

4. The list of long-term programmes and short-term programmes proposed to be conducted during FY 2015-16 are indicated in **Annexure A**. However, the list of courses is tentative and some changes in the courses may occur. The nominations received in response to this circular can also be considered for any other courses that may become available during 2015-16 under the DFFT Scheme but are not indicated in the present lists. *Applicant/nominated officers are advised to check their respective e-mails for any alerts that may be indicated during the pendency of their applications for revising choices for the programmes as per the final availability list of courses. The status of application can be seen by clicking 'Check Application Status' on online application portal.*

5. The officers who have already attended the customized training programmes at Cambridge University and ANZSOG, Australia organized in the earlier years may not apply for these programmes again in response to this circular.

6. If an officer does not attend the course or withdraws his request at any stage or is not relieved for attending the training programme by the Administrative Ministry/State Government/cadre authority, he/she will be debarred as per provisions.

7. Names of only those officers may be forwarded by CCAs/State Governments who can be spared/relieved at the time of commencement of the training programmes.

8. The State Governments/Central Ministries/Cadre Controlling Authorities are expected to utilize the skills acquired by the officers in the relevant field, on their return from foreign training.

9. The application form (**Annexure I**) for long-term and short-term foreign training as well as forwarding form (**Annexure II**) meant for filling by the Nodal Officers designated by each Ministry/Department and State Governments are available in this Ministry's website at <http://persmin.nic.in/dfft>. It must be ensured that the application form for both categories of programmes (long-term and short-term) must be filled in 'online' by the officers after which the same will be automatically forwarded by the system to their respective controlling authorities. The Nodal Officers will then fill in the requisite details in **Annexure II** and send the same along with application form (**Annexure I**) of the officer 'online'. It may be noted that there is no requirement of sending these documents by post.

10. The necessary steps that the Nodal Officers are required to take for forwarding the applications forms through 'online' mode are detailed at **Annexure B**.

11. The last date for receipt of applications, as per procedure mentioned above, in this Division is **30th November 2014**.

12. Further a separate application/sponsorship system has been devised in respect of long-term training programmes, namely, MPA Mason Programme (Harvard University), Masters in Public Policy (Cambridge University), Masters in Public Health (John Hopkins University) and Masters in Public Policy (Blavatnik School, Oxford University) under which the interested officers will apply directly to the university and undertake admission/selection process as stipulated by the university as a private individual. The number of slots for each of these programmes will be decided later. The officers applying for these courses must inform Training Division at the time of application that they have applied for these courses. Once an officer is selected by these Universities, he/she may apply for sponsorship under the DFFT Scheme through their respective controlling authorities along with requisite clearances, e.g., vigilance clearance, ACR Grading, etc. Applications of such officers will be considered by a Committee to be constituted in DOPT. Since the deadline for applying for these specific training programmes closes in the months of January and February each year, the officers interested in these programmes may keep this factor in view and apply according to the timelines indicated in the universities' respective websites. Simultaneously, interested officers may apply in response to this circular for other short term and long-term programmes also. The Masters in Anti-Corruption Studies Course at International Anti Corruption Academy, Vienna will be offered once notification for the same will be issued by IACA. Therefore, a separate circular will be brought out later after receipt of programme notification from IACA for MACS course.

13. The officers who apply on their own in the programmes mentioned in para 12 above but do not get DFFT Sponsorship for some reason even after admission is confirmed by the concerned University, can get their admission deferred for the next year in which case they will be given priority for sponsorship in that year, subject to their fulfilling the eligibility criteria at that stage.

14. The officers are advised to go through the programme details available in the respective websites of institutes/universities and make themselves conversant with eligibility and selection criteria and apply in accordance with the pre-requisites, if any, for a specific course.

15. The incomplete applications and those not accompanied by duly filled in Annexure II by the designated Nodal Officers will not be considered. It may also be noted that no reference shall be made back to the forwarding authority/officers for filling and sending incomplete details.

16. **This training circular carries a few changes from the circulars issued in previous years on this subject. Similarly, the 'online' application form has been simplified to make it more user-friendly. A User Guide for facilitating to apply for training programmes is prepared and available at online application portal. At the time of registration on online application procedure, officers will also get an e-mail from the NIC system explaining about the application process. It is requested to read it carefully before applying.**

17. **Lastly, unlike in previous years, the officers belonging to IPS and IFoS are eligible for training under the DFFT Scheme even if they are not on deputation under the Central Staffing Scheme. The State Governments/UTs may, therefore, take special note of it and forward nominations of eligible officers accordingly through the same Nodal Officer designated to forward applications of other eligible officers.**

Yours faithfully,

(Deepika Lohia Aran)
Deputy Secretary (FTC)
